

# MOHD SAAD MOHD SHAKEEL

Professional Civil Engineer & 3D Designer & Visualiser

 msaadm96@gmail.com

 9922818598

 AMRAVATI, MAHARASHTRA, INDIA

## PROFESSIONAL SUMMARY

Dedicated and passionate civil engineer with over 1 year of experience in 3D model design, project management, and construction visualization. Expertise lies in creating efficient, sustainable, and aesthetically pleasing structures that meet client requirements while adhering to safety standards and building codes. Successfully managed and executed various residential, commercial, and infrastructure projects with a focus on innovative engineering solutions combined with sustainable practices.

## TECHNICAL SKILLS & COMPETENCIES

### Engineering Software

- AutoCAD (Advanced)
- Revit (Advanced)

### 3D Design & Visualization

- SketchUp (Expert)
- V-ray (Advanced)
- Enscape (Advanced)
- 3D Modeling

### Design & Media Tools

- Adobe Photoshop
- CapCut (Video Editing)
- MS Project

### Office & Business Tools

- Microsoft Office Suite (Expert)
- Tally (Accounting)
- Office Automation

### Programming & Web

- Python with AI (Intermediate)
- HTML / CSS / React (Basic)

### Soft Skills

- Project Management
- Client Communication
- Problem Solving
- Team Collaboration

## PROFESSIONAL EXPERIENCE

---

### Junior Engineer (Intern)

January 2023 - May 2024

Er.Hassab Khan

Amravati, Maharashtra, India

- ▶ Assisted senior engineers in structural design calculations and analysis using AutoCAD and STAAD Pro
- ▶ Participated in comprehensive site surveys and soil testing procedures
- ▶ Prepared detailed daily progress reports and project documentation
- ▶ Collaborated with project teams to ensure timely delivery of engineering solutions
- ▶ Gained hands-on experience in construction management and field engineering practices

## PROFESSIONAL CERTIFICATIONS & TRAINING

---

- |                                  |                           |
|----------------------------------|---------------------------|
| ✓ Certificate in AutoCAD 2D & 3D | ✓ Certificate in SketchUp |
| ✓ Certificate in Enscape         | ✓ Certificate in Vray     |
| ✓ Diploma in Office Automation   | ✓ Diploma in Tally        |
| ✓ Certificate in Adobe Photoshop |                           |

## EDUCATION

---

### Diploma in Civil Engineering

Dr. Rajendra gode institute of Technology & research center

2020 - 2022

### Bachelor in Civil Engineering

Dr. Rajendra gode institute of Technology & research center

2023 - 2026 ONGOING

## CAREER GOALS & INTERESTS

---

- ▶ Leading large-scale infrastructure projects
- ▶ Implementing sustainable building practices
- ▶ Advancing in structural engineering and 3D design visualization
- ▶ Mentoring young engineers and professionals
